Instructions

Below are sentences that tell you how some boys and girls think or feel or act. We would like you to tell which sentences are true about you.

Read each sentence carefully. If you agree with the sentence, fill in the circle T for TRUE. If you don’t agree with the sentence fill in the circle F for False.

Here is an example: I like dogs ● F

Give the best answer for you, even if it is hard to make up your mind. If you want to change your answer, make an X through it and fill in your new answer.
